

British Society for Paediatric Dermatology:

Joint Société Française de Dermatologie Pédiatrique-BSPD Symposium

PROGRAMME		
	PA01	Paediatric Stevens–Johnson syndrome and toxic epidermal necrolysis: a retrospective case series and evaluation of practice using the British Association of Dermatologists' National Guidelines <u>J. Forsyth</u>, <u>E. Russell</u> and T. McPherson
	PA02	Phenotype association with filaggrin loss-of-function variants in 349 individuals with eczema from the Tower Hamlets Eczema Assessment (THEA) <u>B.R. Thomas</u>, <u>X.L. Tan</u>, <u>S. Javadzadeh</u>, <u>E.J. Robinson</u>, <u>B.S. McDonald</u>, <u>S. Dhoat</u>, <u>M.A. Krupiczajc</u>, <u>S.R. Rahman</u>, <u>S. Hogan</u>, <u>S. Rahman</u>, <u>R. Begum</u>, <u>H. Khanam</u>, <u>C.A. Mein</u>, <u>J. Grigg</u>, <u>D.P. Kellsell</u> and <u>E.A. O'Toole</u>
	PA03	Understanding phenotypic variations of pseudohypoparathyroidism and loss-of-function <i>GNAS</i> variants <u>N.-Y.C. Kang</u>, <u>J. Harrington</u>, <u>P. Kannu</u>, <u>E. Pope</u> and <u>I. Lara-Corrales</u>
	PA04	An assessment of the experiences of general practitioners and general practitioner trainees of referrals to paediatric dermatology services <u>N. Fagan</u>, <u>Á. Carroll</u> and <u>A.D. Irvine</u>
	PA05	Epidermolysis bullosa acquisita in children: a report of three cases <u>M.L. Bageta</u>, <u>E. Cella</u>, <u>B.A. Cervini</u>, <u>M. Del Valle Centeno</u>, <u>L. Roquel</u>, <u>J. Mee</u>, <u>R. Grovers</u>, <u>E. Calonje</u>, <u>R. Goodwin</u>, <u>J.E. Mellerio</u>, <u>G. Petrof</u> and <u>A.E. Martinez</u>
	PA06	The burden of treatment in paediatric atopic dermatitis: a mixed-methods study <u>C. O'Connor</u>, <u>E. Nic Dhonncha</u>, <u>L.A. Murphy</u>, <u>M. Bennett</u>, <u>J. Bourke</u> and <u>M. Murphy</u>
	PAGL1	Guest Lecture Management of superficial vascular anomalies: from plumbing to architecture Dr Annabel Maruani (Tours, France)
	PAGL2	Guest Lecture Propranolol in infantile haemangiomas revisited: a happy ending to a fairy tale Prof Alain Taieb (Bordeaux, France)
	PAGL3	Guest Lecture Beating the challenges of vascular overgrowth syndromes Prof Pierre Vabres (Dijon, France)
	PA07	Scratching the surface: a review of online misinformation and conspiracy theories in paediatric atopic dermatitis <u>C. O'Connor</u> and <u>M. Murphy</u>
	PA08	Rothmund–Thomson syndrome associated with cutaneous T-cell lymphoma <u>B.S.D.P. Keragala</u>, <u>H.M.M.T.B. Herath</u> and <u>S. Imran</u>

POSTERS

	PA09	Efficacy of an online educational video in improving parents' knowledge of eczema management <u>Z. Haider</u>, <u>S. Reed</u>, <u>J. Chevolleau</u>, <u>S. Richards</u>, <u>T. Zaman</u>, <u>C. Moss</u> and <u>M. Ogboli</u>
--	------	---

	PA10	Written action plans to support the self-management of eczema: findings from an international review <u>C.S. Thandj</u>, R. Vincent and M. Ridd
	PA11	Bier anaemic spots, cyanosis and urticaria-like eruption (BASCuLE) syndrome: a case series of four patients <u>R. Fisher</u> and T. McPherson
	PA12	Cost-effectiveness of emollients in UK patients with atopic dermatitis E. Cabout, S. Eymere, R. Launois, <u>F. Aslanian</u>, C. Taieb and S. Seite
	PA13	Two cases of amyopathic juvenile dermatomyositis associated with antitranscription intermediary factor 1 gamma autoantibodies <u>A. Dubois</u>, S. Sampath, S. Natarajan and C. Goodhead
	PA14	Emergency paediatric dermatology: a case series of Kasabach–Merritt syndrome <u>Z. Moledina</u>, J. Srinivasan, S. Stokley and J. Ravenscroft
	PA15	Footprints in the snow: a rare case of metastatic Crohn disease of the scalp responsive to adalimumab <u>O. Molloy</u>, A. Broderick and F. Browne
	PA16	A case of rapidly involuting congenital haemangioma presenting as unilateral limb swelling <u>D. Roche</u> and A. Murphy
	PA17	Paediatric dermatology in a resource-limited set-up <u>M.T. Demissie</u>
	PA18	Longitudinal melanonychia with spontaneous resolution <u>E. Kloczko</u>, <u>S.J. Brown</u> and <u>C. Bertram</u>
	PA19	An unusual case of sweating: idiopathic localized unilateral hyperhidrosis in a 9-year-old and review of the literature <u>A. Lowe</u> and R. Goodwin
	PA20	Acquired partial lipoatrophy as the presenting feature of juvenile dermatomyositis <u>E. Nic Dhonncha</u>, E. MacDermott, O. Killeen and M. Sadlier
	PA21	Aplasia cutis congenita in dizygotic twin infants <u>S. Bowe</u>, C. O'Connor, M. Kenosi and L.-A. Murphy
	PA22	Acrodermatitis enteropathica: how communication skills can help <u>J. Mann</u>, C. Brown and T.S. Tang
	PA23	The use of Biobrane® in a paediatric patient with toxic epidermal necrolysis: looking beyond the burn <u>K. Hussain</u>, M. Khan, S. McCarthy, A. Therianou and S. Wakelin
